Authorization to Administer Diaper Cream

Virginia Child Care Licensing Standards require that diaper cream be administered to a child only with the parents or guardian's written consent. Diaper cream must be in the original container and labeled with the child's name. By signing below, you authorize Bright Start to apply the diaper cream specified to your child.

Child's Name: _____

Name of Diaper Cream: _____

Any Known Adverse Reactions: _____

Special Instructions (if any): _____

Parent's Name: _____

Signature: _____

Date: _____

Diaper Cream was administered on the following dates:

Date of Use	Frequency of Application	Any Adverse Reactions
